MONTHLY SUBS - 2022 / 2023 SEASON

Welcome back for the new season to all our players and “Hello” and “Welcome” to new players who have signed for the Club over the summer.

As a grassroots junior football club, our continued ability to ensure we can provide the best facilities we can for our teams is heavily dependent on us self-financing the Club through a monthly subs payment and the generosity of team sponsors donation to teams each season.

Subs money collected is used to ensure the Club can pay any costs and charges regarding the ongoing operating and function of the Club. For example, subs contribute to costs in relation to annual pitch fees, weekly referee fees which have increased this season for the first time in a few years, winter training pitch hire, kit purchase (new and replacement) supported by donations from sponsors, new equipment (balls, training, etc.), continuous coach training and development courses, Warrington JFL league fees, Football Association and Warrington JFL fines, player presentation trophies and awards and insurance premiums to name a few of the elements the Club pay annually.

The monthly payment amount of any Subs payment, and the basis and frequency of any payments, is set annually by the Committee each year and we are committed to keeping this payment as low as we can. The monthly payment is reviewed at the club Annual General Meeting each year and is subject to change.
